2015 Summer Camp & Weekend Retreats

The Arc Mid-South has been “Empowering individuals with intellectual and developmental disabilities” since 1950.

In 1969, The Arc began its first respite summer camp in an effort to provide an opportunity for families to receive a break from the day to day care of their loved ones.

The Arc “*saw an increased need*” for respite services, and established its monthly weekend respite retreat.

This not only allowed parents and primary caregivers an opportunity to maintain their own personal affairs, this allowed individuals with disabilities an opportunity to interact with their peers, and experience social, recreational, and educational activities geared to improve motor skills.

At a ratio of 3 to 1, this home away from home experience is designed for individuals with disabilities, ages 8 years and older.

If you are interested in registering your family member or for additional information, please call (901) 327-2473. Dates and locations are subject to change.
